

A Prayer of Rededication

Father God, I thank You for finding me! You came after me and wooed me back to Yourself. I am grateful. Though I went after my own pleasures, You did not leave me to my own devices. I am forever grateful.

I reaffirm my faith and commitment to the Lord Jesus, and again rededicate my life to You. I will live my life, from now on, being led by Your Spirit as I give my attention to Your Word. I rejoice and thank You for the celebration in Heaven now because I am home.

I thank You my Father for clothing me with Your righteousness and reminding me of the name You call me, "Beloved", "My Righteousness".

I commit to keep my eyes on Jesus, who alone can empower me to live this life in You.

I thank You my Father for your love towards me. I pray these in Jesus' precious Name. Amen.
